TOUCH 851

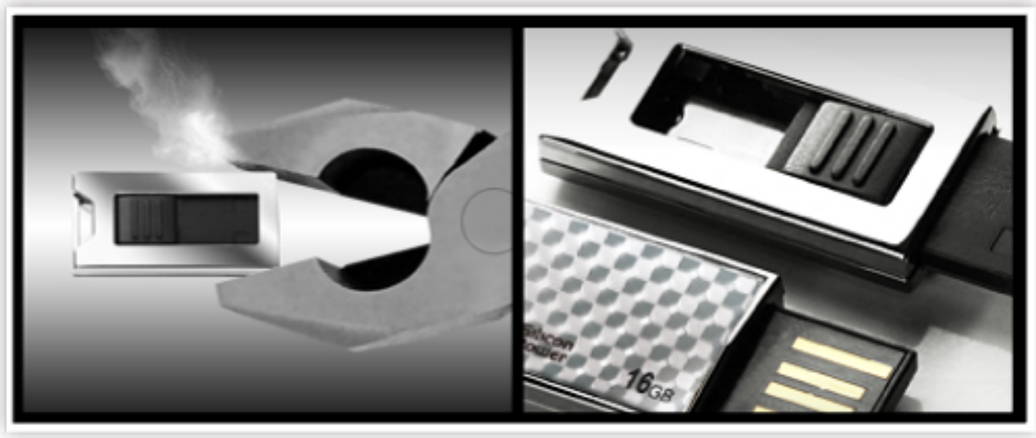
USB 2.0 Classic checkered and luxury design

▪ Classic checkered and luxury design

The classic checkered design never fades and it shows in Silicon Power Touch series USB flash drives! Touch 851 is available in gold or silver and coated with shinny checkered like/ diamond cut design showing off its quality and elegant aura.

▪ Rugged zinc alloy construction & retractable USB port



Touch 851's casing is constructed with zinc alloy, providing ruggedness and polished elegant looks. Retractable USB port provides the complete user data protection.

▪ SP Widget Backup & security software

SP Widget free download software features seven main functions to maximize your Touch 851.

▪ Waterproof, vibration-proof and dust-proof

Utilizing COB (Chip On Board) packaging technology, Silicon Power's Touch 851 is waterproof and dustproof.
